 ****JOB TYPE:** INDEPENDENT CONTRACTOR

ROLE PURPOSE:

We are looking for professional, compassionate, and reliable nurses for NIPT & MiniMi blood draws. This role requires travelling to various locations to perform blood draws for clients and ensuring that all samples are collected, handled, and transported according to strict quality and safety standards.

****Please note that this is not a full-time employment role – work and pay will be determined by the ad hoc needs of the business, and you will be paid a fixed rate per blood draw.**

MINIMUM REQUIREMENTS:

- Registered Nurse/Enrolled Nurse qualification with valid SANC registration.
- Phlebotomy experience essential.
- Valid driver's license, own reliable vehicle and willingness to travel frequently.
- Strong attention to detail and adherence to safety protocols.
- Professional communication and interpersonal skills.

KEY RESPONSIBILITIES:

- Perform blood draws for clients in a professional and caring manner.
- Ensure correct labelling, handling, and transport of samples.
- Maintain accurate documentation and records.
- Uphold infection control and health & safety protocols at all times.
- Provide excellent client service while representing Next Biosciences.

If you are a skilled nurse with a passion for patient care and the flexibility to travel, we'd love to hear from you.

This opportunity would be suitable for nurses who have time flexibility, locums, or nurses between jobs.
